Thanks, Sarah. I think we need to confirm that Jim K will be there in person. If so, that provides some flexibility about how we approach R10. If we don't have someone there in person, we'll pushing much harder for the call in.

Thanks

John

Subject: Draft note for Dan Opalski

Hi John,

I've already gotten one note from someone regarding interest in calling in to the R10-Kalispel Tribe-State of WA face-to-face on August 28. Specifically this was from Jim Curtin. I'm not sure if calling in is welcome.

I contacted Helen in R10, and understand Dan Opalski is planning the meeting, and we should contact him regarding call-in info (e.g., will it be available given efforts to keep the meeting SMALL?).

Below is a draft note for you to send to Dan Opalski. If you have any questions, please let me know.

Thanks,

Sarah

Dear Dan,

Thank you for your efforts in setting up the face-to-face meeting between EPA, the Kalispel Tribe, and the State of Washington on August 28. I recognize that the meeting is small, with one person from HQ planning to attend.

Were you planning to have call-in information available? If so, what is your cap on call-in participants? HQ participants? Our OGC attorney has asked about calling in to the meeting while he is out of the office following August 9.

Your help is much appreciated!
